Hogg Mason Jar Adapter

Thank you for purchasing the Cup-A-Saurus® Hogg Mason Jar Adapter by Krafty Kow! This adapter is custom made to fit on a Cup-A-Saurus turner and is not made for other brand turners.

Included

1. Jar Adapter
2. Lid Adapter (threaded)

Instructions

1. The adapters are two part: The adapter for the Mason Jar is a plug that requires it to be taped to the jar with painter's or electrical tape. Be generous with the tape to keep it on the turner.
2. The lid adapter is threaded and will screw on. Wrap it with tape as well to make a tight fit and protect the adapter from epoxy.
