

KRAFTY KOW SUPPLIES COMPANY

Ozark Wine Bottle Adapter (14oz)

Thank you for purchasing the Cup-A-Saurus® Ozark Wine Bottle Adapter by Krafty Kow! This adapter is custom made to fit on a Cup-A-Saurus turner and is not made for other brand turners.

Instructions

1. Gently screw the adapter into the tumbler until you find the “sweet spot” of level. Don’t tighten or screw the adapter in too far, just far enough to thread secure and make level.
2. Use painters or electrical tape around the adapter from just under the thumbscrew and continue onto the tumbler itself. This will both create additional support of the adapter to the tumbler and protect the adapter from things like epoxy drips.
3. Attach directly onto the Cup-A-Saurus turner.
4. Secure thumb screw to the turner.

If you have any questions, please message us on our website kraftykow.com, our Facebook Page, or email at purchases@kraftykow.com. For video instructions on many of our products, please visit our Facebook or YouTube page (Cup-a-Saurus) and click on videos.
